SPRAYERS & FOGGERS

MSO DRAMM ELECTRIC HEAVY DUTY SPRAYER

The Dramm Heavy-Duty sprayer is our most popular commercial greenhouse sprayer. Powerful and compact-designed for every type of chemical application.

Model MSO is a hydraulic sprayer with fully adjustable pressures, making it a highly flexible tool for the application of pesticides, fungicides, wetting agents, cleaning solutions and disinfectants. By simply twisting the spray gun knob you can adjust the pressure from a stream that throws up to 20 feet to an eight foot diameter mist. The Dramm Heavy-Duty sprayer has a 6 month warranty on all parts and service. Includes 33' discharge hose, trigger gun, MSO heavy duty sprayer, 120 volt.

Order #: **30-9800** –sold as each

MS-GAS DRAMM GAS SPRAYER

[special order item]

The Dramm MS-Gas sprayer is powerful and compact-designed for every type of chemical application. Powered by a 4-stroke Honda engine for reliability. Includes a 66' discharge hose, trigger-style gun, and suction hose sprayer.

MS-Gas sprayer has a 6 month warranty on all parts and service.

Order #: **30-0200** –sold as each

HYDRA 50 GALLON DRAMM HYDRAULIC

SPRAYER

[special order item]

The Dramm Hydra Multi-spray Hydraulic Sprayer is a high volume hydraulic sprayer capable of performing a variety of tasks. The Hydra is perfect for the application of insecticides, fungicides, growth regulators, fertilizers, disinfectants and other chemicals. With a pump output of 4 gallons per minute, the Hydra offers enough volume

to utilize a choice of guns and agitate the tank at the same time. The pump has a maximum operating pressure of 550 psi with a fully adjustable regulator. This allows for a variety of droplet sizes and spray distances. The Hydra uses a close-coupled pump to eliminate belt or chain maintenance and is run by a sealed 1.5 horse power electric motor. The standard gun offers a choice of patterns with an output of 1.3 gallons per minute. Different nozzle tips are available for lower or higher flow rates. The Hydra comes standard with a 50 gallon tank on a maneuverable cart with rear casters for easy turning when full. The unit includes 150 feet of hose on a variable drag reel. 120 volt

Order #: **30-9907** –sold as each

MINI COLDFOGGER BY DRAMM

[special order item]

The Dramm Mini Coldfogger is a low-volume chemical applicator that can easily apply all formulations of pesticides, growth retardants, fungicides, wetting agents, cleaning products and disinfectants using a highly concentrated spray solution. The low-volume method of applying chemical solutions diminishes costly run-off and greatly reduces application times. Very small droplets are generated to provide deep and even penetration of chemicals.

The 30 liter (8 gallon) chemical tank holds enough spray solution to provide up to 30,000 square feet of coverage in as little as 30 minutes. The powerful high pressure fog projects a plume of 30-60 micron diameter spray droplets 20-25 feet from the hand held spray gun. Includes 75 feet of high pressure hose.

Order #: **30-9910** –sold as each

MINI AUTOFOG BY DRAMM

[special order item]

The Dramm Mini Autofog is an easy to use, low volume chemical applicator designed with smaller greenhouses in mind. The MLVH-10A can treat 5,000 sq. ft. automatically, without an operator present. The Mini Autofog can easily apply a wide variety of chemical formulations using a highly concentrated spray solution. A specially designed nozzle generates billions of micro-particles (0.5 to 10.0 microns in diameter) that fill the entire treatment area with active chemical. These tiny particles ensure complete and even coverage of all plant surfaces. The low-volume method of applying chemical solutions utilized in the Mini Autofog eliminates costly run-off and reduces the amount of chemical needed. The MLVH-10A is backed by a 6 month warranty of parts and labor. 120 volt

Order #: **30-99100** –sold as each

CHEM DOSE BY DRAMM W/ 20 GALLON TANK

[special order item]

The Dramm Chemdose is a precision application system for applying exact doses of chemical solution directly to the plants roots. Application of growth regulators, fungicides, systemic pesticides, and fertilizers are optimized with the Chemdose because the chemical solution is measured precisely and applied directly to the root zone, avoiding wasteful run-off and over spray. The Chemdose is designed to dose amounts between 10ml and 90ml per shot. It offers complete variability in dosage settings and allows for single-shot or multiple-shot with variable interval time setting operation. For complete portability, the Chemdose is battery operated and mounted on a standard high strength, steel frame with a 20 gallon tank. Includes 20 gallon tank with cart, powder coated steel frame, 3 different wands-for bench, floor & hanging basket applications-charger and 25' hose.

Order #: **33-80646** –sold as each

ULVA LOW VOLUME SPRAYER

[special order item]

The ULVA+ is a rotary disk atomizer that applies chemicals evenly both indoors and outdoors. It is designed for use in areas where there is natural air movement. The Dramm ULVA+ is perfect for outdoor row crops as well as cut flowers. The ULVA+ produces 50-60 micron droplets that drift on air currents as they drop, providing even coverage on all plant surfaces. The one liter bottle can treat up to 6,000 square feet with one fill. The ULVA+ uses 4 D cell batteries. Complete with batteries and recharger.

Order #: **30-9913** –sold as each

TURBAIR ELECTRAFAN

[special order item]

The Dramm Turbair Electrafan (TEF) is an air assisted spinning disc sprayer for low and ultra-low volume application of insecticides and fungicides in situations with no natural air movement, e.g. indoors. The Electrafan 110 is powered by an A/C electric motor of 110 volts (60 hz) and uses a suitable extension cable which allows treatments up to 200 ft. from a power source. The Electrafan 110 can efficiently apply water-based mixtures at both low volumes (normally 8 to 16 liters/acre) and ultra-low volume (ULV) formulations. The Electrafan can be used in glass-houses and polytunnels for the treatment of crops, for pest control in buildings, insect control in animal houses and for applying vaccines to poultry.

Order #: **30-TEF** –sold as each

SPOTSHOT CORDLESS SPRAYER

Very nice battery powered spot sprayer. Great to use for applying growth regulators, spot treatment of insecticides and fungicides in commercial greenhouses or wonderful sprayer for estate, hobby or small research greenhouses.

Order #: **30-JC07X** –sold as each

SPRAYER ACCESSORIES

TRIGGER SPRAY GUN FOR MSO SPRAYERS

[special order item]

Dramm high quality spray gun for 3/8" high pressure hose

Order #: **30-9805** –sold as each

L5-5 NOZZLE EXTENSION WAND

Dramm extension lance for MSO, CS-5AGS or MS-GAS high pressure sprayers. Created by Japanese rose growers. Features ring with 5 nozzles at end of lance to spray into tall crops like roses or greenhouse tomatoes and cucumbers.

Order #: **30-9911** –sold as each

To Order Call: 405.787.4833 or 1.800.522.3376

Prices subject to change without notice

L-5 WAND STOP COCK

Dramm replacement on/off plated metal valve to use between 3/8" high pressure hose and L-5 spray wand.

Order #: **30-99142** –sold as each

CART & 20 GALLON TANK F/MSO SPRAYERS

Dramm 4 wheel commercial quality grower cart with rectangular belly 20 gallon tank. Ready to add your MSO electric or gas sprayer and start spraying.

Order #: **30-9806** –sold as each

33' DISCHARGE HOSE 500 PSI F/MSO SPRAYERS [special order item]

High quality 3/8" hose with fittings to operate at pressures up to 500 PSI. Use with Dramm MSO electric or gas sprayer.

Order #: **30-9807** –sold as each

100' DISCHARGE HOSE 500 PSI F/MSO SPRAYERS [special order item]

High quality hose with fittings to operate at pressures up to 500 PSI. Use with Dramm MSO electric or gas sprayer.

Order #: **30-9808** –sold as each

JD9C HEAVY DUTY SPRAY GUN

[special order item]

Adjusts quickly from mist to pencil-like stream. Trigger locks on for user comfort. Ruggedly built, precision machined. Wide choice of tips, nozzles and root feeders to use with gun.

Order #: **30-900** –sold as each

TIP-EXTRA SMALL 0.9-1.3 GPM

[special order item]

Special tip to use with JD9C spray gun

Order #: **30-901** –sold as each

TIP-SMALL 1-3 GPM

[special order item]

Special tip to use with JD9C spray gun

Order #: **30-902** –sold as each

TIP-MEDIUM 2-5 GPM

[special order item]

Special tip to use with JD9C spray gun

Order #: **30-903** –sold as each

TIP-LARGE 3-8 GPM

[special order item]

Special tip to use with JD9C spray gun

Order #: **30-904** –sold as each

TIP-EXTRA LARGE 10-19 GPM

[special order item]

Special tip to use with JD9C spray gun

Order #: **30-905** –sold as each

101 FA FLOODING NOZZLE

[special order item]

Special tip to use with JD9C spray gun

Order #: **30-9101** –sold as each

101 FB FLOODING NOZZLE

[special order item]

Special tip to use with JD9C spray gun

Order #: **30-91015** –sold as each

TIP ADAPTER FOR JD9C SPRAY GUN

[special order item]

Order #: **30-9301** –sold as each

PUMP UP & ESTATE SPRAYERS

425 SOLO PISTON PUMP BACKPACK SPRAYER

4 gallon backpack sprayer capable of producing up to 90 psi. High density poly tank with Viton seals good for most every spraying task. Pump lever reversible for left or right hand operation.

Order #: **30-880010** –sold as each

475 SOLO DIAPHRAGM PUMP BACKPACK SPRAYER

[special order item]

4 gallon backpack sprayer capable of producing up to 60 psi. Has Viton diaphragm and seals. Able to pass small abrasive particles so ideal for use with wetttable powder as well as liquid formulations. Pump lever reversible for left or right hand operation.

Order #: **30-880008** –sold as each

2 GALLON PREMIUM POLY PUMP UP SPRAYER 2000P

[special order item]

Gilmour ultraviolet resistant, translucent polyethylene tank. Extra-wide 3 1/4" mouth for easy fill and cleaning. Automatic or manual pressure relief valve with pressure indicator ring. Fast pressurizing, 10" non-corroding polymer pump. Replaceable pump cup. Chemical resistant polymer discharge valve with comfort grip. Chemical resistant leak proof Viton seals in discharge valve and tip. Heavy-duty 18" rotating brass wand with adjustable brass nozzle. Extra long 52" premium PVC hose. Easy to clean in-line filter. Pivoting outside handle for carrying and easy filling/pouring. Wand storage clips on pump handle and carrying handle. 2 gallon operating capacity. 2 1/2 gallon actual capacity.

Order #: **60-792209** –sold as each

POLY PUMP UP 3 GALLON SPRAYER #301P

[special order item]

Gilmour ultraviolet resistant, translucent polyethylene tank. Extra-wide 3 1/4" mouth for easy fill and cleaning. Automatic or manual pressure relief valve with pressure indicator ring. Fast pressurizing, 10" non-corroding polymer pump. Replaceable pump cup. Chemical resistant polymer discharge valve with comfort grip. Chemical resistant leak proof Viton seals in discharge valve and tip. Flexible 16" rotating polymer nozzle. 33" premium PVC hose. Wand storage clip on locking "D" type/carry handle. 2 1/2 gallon operating capacity. 3 gallon actual capacity. Convenient carry strap.

Order #: **60-792218** –sold as each

PUMPLESS 2 GALLON SPRAYER

[special order item]

Hudson sprayer that pressurizes itself when filling with a water hose. With wand, nozzle and pressure relief valve.

Order #: **30-61132** –sold as each

TROMBONE SPRAYER (F/SMALL TREES)

[special order item]

Hudson small trombone sprayer to pull solution directly from chemical bucket or barrel.

Order #: **30-61219** –sold as each

SPRAYER TROMBONE (HIGH PRESSURE)

[special order item]

Hudson tree and shrub sprayer. Shoots 20 feet for tall coverage of tall trees. 72" hose with large filter drops directly into chemical bucket or barrel. Includes extension. Adjustable nozzle. Pump action. Sturdy no-slip grips. Long-lasting nickel-plated brass pump. 1 year warranty.

Order #: **30-61224** –sold as each

DIAL-A-MIX HOSE END SPRAYER

[special order item]

Gilmour sprayer with no pre-mixing required-set metering dial for required dilution; concentrate and water will automatically be mixed at set rate. Metering dial easily adjusts up 11 dilution rates, from 1 to 21 teaspoons. Sprays up to 132 gallons on a single filling. Built-in anti-siphon device prevents back flow. Instant pistol grip on/off handle for easy use. Fan spray attachment for large areas. Gentle spray attachment included for safely spraying herbicides. Sprays solid stream up to 25 ft. Extra-wide mouth for easy filling and cleaning. Dial snaps out for easy cleaning. Durable, chemical resistant, rustproof polymer construction.

Order #: **60-336800** –sold as each –6 per case

To Order Call: 405.787.4833 or 1.800.522.3376

Prices subject to change without notice

HERBI SPRAYER & ACCESSORIES

HERBI 2 POWER PAK & FLEX LANCE

The Microfit Herbaflex, part of the modular Microfit system, is a shrouded, spinning disc sprayer for the Controlled Droplet Application (CDA) of herbicides and other chemicals. The shielded Herbaflex atomizer allows greater control of all applied chemicals. The shroud has an adjustable band width of 4-20 inches, and with an optional attachment the band width increases to 6-30 inches. This shroud recaptures any unsprayed solution and allows it to be re-used while preventing dripping any over spray. With the attachment of the Herbi Spray Shield, drift due to wind and mis-spraying is eliminated. The Herbi is used worldwide for band spraying narrow strips of weeds. Uses include general clean-up around buildings, borders, pathways and strip spraying and in between crop rows. Use "D" cell batteries for power.

Order #: **60-MHF2** –sold as each

HERBAFLEX SPRAY SHIELD

Plastic oval shield to install over nozzle and limit coverage area. Often used when applying glyphosate or other herbicides near or between crops.

Order #: **60-5171A** –sold as each

HERBI MICROFIT STANDARD LANCE

Allows Herbi to spray up to a 4' wide spray pattern

Order #: **60-LH-1A** –sold as each

CHEMICAL VAPORIZING BURNERS

WILMOD SULPHUR POWDER BURNER

Often called sulphur pots to vaporize sulphur or other approved wettable powder-type products. Widely used in Europe. Plug into 115 volt power to operate.

Order #: **30-75** –sold as each

DUSTERS

HD-7 GRANULE APPLICATOR/TUMMY DUSTER [special order item]

Nice grower quality duster to apply dusting powders with hand crank on side of unit.

Order #: **30-97** –sold as each

GRANULAR FERTILIZER/CHEMICAL APPLICATORS

SELECT-A-FEED JR.

[special order item]

Use to apply granules to smaller pots. A one piece stainless steel fertilizer applicator. This proven applicator provides fast, accurate measurements for your fertilizing. It is adjustable for a variety of gram sizes. One pull of the trigger dispenses one unit or multiple pulls increase total grams per pot. Calibrated for the chemical Marathon/Mantra.

Order #: **30-02201** –sold as each

PERFECT-A-FEED W/CRANK

HANDLE [special order item]

Hand carried unit to topdress Osmocote and granular fertilizers

Order #: **30-01101** –sold as each

PERFECT-A-FEED BACKPACK

[special order item]

Backpack unit to topdress Osmocote and granular fertilizers

Order #: **30-01100** –sold as each

1/3 TEASPOON DRUM FOR PERFECT-A-FEED [special order item]

Drum to put in Perfect-a-Feed unit for Marathon/Mantra application or to topdress other small volume fertilizers or granules.

Order #: **30-0103** –sold as each

1 TEASPOON DRUM FOR PERFECT-A-FEED [special order item]

Drum to put in Perfect-a-Feed unit for application of Osmocote and granular fertilizers

Order #: **30-0101** –sold as each

1 TABLESPOON DRUM FOR PERFECT-A-FEED [special order item]

Drum to put in Perfect-a-Feed unit for application of Osmocote and granular fertilizers

Order #: **30-0102** –sold as each

PNS E-Z FEEDER MODEL "A"

[special order item]

Aluminum drum with plunger to release granular fertilizers. Adjustable for applications of 1/2 to 4 teaspoons and is great for bench crops.

Order #: **33-0006** –sold as each

PNS E-Z FEEDER MODEL "C"

[special order item]

Aluminum drum with plunger to release specific amounts of Osmocote and granular fertilizers. Adjustable for 1 1/2 to 7 1/2 teaspoons. Drum holds 750 teaspoons. Good for coated and slow release fertilizers and is good for containers grown on the ground.

Order #: **33-00061** –sold as each

PNS E-Z FEEDER MODEL "C-1"

[special order item]

Aluminum drum with plunger to release Osmocote and granular fertilizers. Adjustable for 1/2 to 4 teaspoon doses.

Order #: **33-00062** –sold as each

PNS MEASURE MASTER [special order item]

Aluminum drum with plunger to release Osmocote and granular fertilizers. Adjustable for 1/12 to 1 teaspoon. Great for Marathon/Mantra or Ronstar G. Great for crops grown on benches.

Order #: **33-0007** –sold as each

ROOT FEEDER

MODEL 1200C ROOT FEEDER

Tree experts recommend watering and fertilizing below the soil's surface, where most of the active tree roots grow. The Ross Root Feeder's deep feeding system is specially designed to do exactly that. Simply connect a garden hose to the Root Feeder and insert the feed tube into the soil around the dripline of a tree. Water flows through a chamber filled with fertilizer, through a feed tube right to the tree's roots. Perfect for use in drought weather, there is no runoff and wasted water, just healthy, beautiful trees all season. Waters and fertilizes at root level. Easy to use-no mixing or measuring.

Order #: **30-12044** –sold as each –6 per case

INTERIOSCAPE WATERING MACHINES

All these units feature pre-pressurized vertical steel water tanks with an appliance-like enamel finish and swivel casters on the front and durable wheels on the back for easy mobility. Comes with two interchangeable wand tubes and spray heads. Each unit comes with wand valve, utility bag, service tray and maintenance kit.

AQUAMATE #2 WATER MACHINE [special order item]

9 gallon capacity; 43# empty, 118# full

Order #: **30-00020** –sold as each

AQUAMATE #3 WATER MACHINE [special order item]

12 gallon capacity; 50# empty, 160# full

Order #: **30-00030** –sold as each

AQUAMATE #4 WATER MACHINE [special order item]

20 gallon capacity; 95# empty, 290# full

Order #: **30-00040** –sold as each

AQUAMATE #5 WATER MACHINE [special order item]

28 gallon capacity; 125# empty, 370# full

Order #: **30-00050** –sold as each

AQUAMATE #6 WATER MACHINE [special order item]

40 gallon capacity; 145# empty, 500# full

Order #: **30-00060** –sold as each

DRAMM BATTERY OPERATED WATER CART [special order item]

20 gallon tank on 4 wheel cart with battery operated 4.9 gpm pump. Great to use on interiorscape watering projects.

Order #: **305013** –sold as each

To Order Call: 405.787.4833 or 1.800.522.3376

Prices subject to change without notice

WALK N WATER CLAM PACK #69646

[discontinued when sold]

Hudson consumer grade indoor water hose assembly with 18" brass spray wand on 45' long 1/4" diameter recoil hose with fittings for spigot, garden hose or sink faucet.

Order #: **30-69646** –sold as each

CONSUMER HOSE END NOZZLES & BREAKERS

1000 REDHEAD WATER BREAKER CARDED

Newest and finest flow 2 1/4" standard water breaker with 1000 holes in metal plate secured on red plastic body.

Order #: **60-1011000** –sold as each –12 per carton

WATER BREAKER 400 AL

CARDED [special order item]

Professional grade, original Dramm full flow 400 hole 2 1/4" shower head. Hand crafted of aluminum in USA.

Order #: **60-1012342** –sold as each –12 per carton

WATER BREAKER 400 PL CARDED

Original Dramm full flow 400 hole 2 1/4" shower head. Unbreakable plastic. Blue or black. Made in the USA.

Order #: **60-1012346** –sold as each –12 per carton

WATER BREAKER 170 PL CARDED

Narrow 170 hole 1 3/8" water pattern for container watering. Unbreakable Dramm plastic. Blue or black.

Order #: **60-1012349** –sold as each –12 per carton

FOGG-IT NOZZLE CARDED [

Three mist jets for watering all fragile plants. Great for misting cuttings or seed flats. Brass. Made in the USA. Fine Foggit nozzle 1 gpm w/ 3/4" female thread to go on water hose.

Order #: **60-1012344** –sold as each –12 per carton

510-C SEEDLING NOZZLES DRAMM

Carded Dramm seedling nozzle to provide fine spray from water hose over cuttings or seed flats. Screw on end of garden hose and start misting.

Order #: **60-510** –sold as each –12 per carton

9 PATTERN REVOLVER NOZZLES

Nine spray patterns. Quick-click pattern changing. Ergonomic insulated grip. Dramm heavy-duty construction. Lifetime guarantee.

Order #: **10-12700** –sold as each –12 per carton

METAL SELECT-A-SPRAY NOZZLE

[discontinued when sold]

Gilmour high quality metal pistol grip type nozzle to dial up the water pattern you choose.

Order #: **60-005842** –sold as each –10 per carton

#4003 NOZZLE SHOWER SPRAYER

[discontinued when sold]

5 function "Old Gardner" brand pistol grip inexpensive promotional grade nozzle

Order #: **60-582571** –sold as each –12 per carton

METAL FAN NOZZLE W/1/4 TURN VALVE

Dramm rose nozzle in assorted colors with 1/4 turn on/off valve. Ergonomic insulated grip.

Order #: **60-910** –sold as each –12 per carton

INSULATED FAN SPRAY #2285

[discontinued when sold]

Nelson brand metal fan spray with shutoff built into nozzle

Order #: **60-2285** –sold as each –10 per carton

SPRAYERS, HOSES & NOZZLES

CONSUMER HOSE END NOZZLES & BREAKERS AND SHUT OFF VALVES

MIST SPRAYERS 7 1/2"

Fogg-it hose end mist sprayer with single nozzle hole to provide fine mist, fog and/or humidity in the greenhouse.

Order #: **60-0791** –sold as each

ALL PURPOSE NOZZLES

Fogg-it heavy metal plated watering tool about 8" long with thumb operated on/off squeeze valve. Quick opening valve has rubber crook neck spout extending off metal valve. Reduces water flow because of narrow wand.

Order #: **60-0790** –sold as each

POT WATERER COMBO 14"

Fogg-it 14" long heavy metal plated watering tool with thumb operated on/off valve. Comes with both pot waterer and mist sprayer heads. Great for hobby greenhouses, estates or interiorscapes. Reduces water flow because of narrow wand.

Order #: **60-0787** –sold as each

POT WATERER COMBO 24"

Fogg-it 24" long heavy metal plated watering tool with thumb operated on/off valve. Comes with both pot waterer and mist sprayer heads. Great for hobby greenhouses, estates or interiorscapes. Reduces water flow because of narrow wand.

Order #: **60-0788** –sold as each

CONSUMER HOSE SHUT OFF VALVES

BRASS SHUT-OFF CARDED

[special order item]

Professional quality. 3/4" male hose thread x 3/4" female hose thread. Full flow valve. Brass. Made in the USA.

Order #: **60-1012353** –sold as each –12 per carton

SHUT OFF VALVE CARDED (C-45-C)

[special order item]

Large Dramm 1/4 turn on/off full flow valve with ergonomic handle. Perfect for arthritic hands or wet, slippery fingers.

Order #: **60-12365** –sold as each –12 per carton

TOUCH 'N FLOW 65C VALVE

Dramm squeeze handle on/off valve to install on your favorite watering tools

Order #: **60-65C** –sold as each –12 per carton

THUMB VALVE CARDED

3/4" FHT x 3/4" MHT brass Fogg-it valve carded for retail sale

Order #: **60-07911** –sold as each

FLEX NOZZLE

Fogg-it short rubber hose end nozzle. Push down or bend hose to get water. Release to turn off. Open hose stub on end so you can not add your own water nozzles. Like gas stations used to use to fill radiators.

Order #: **60-0789** –sold as each

To Order Call: 405.787.4833 or 1.800.522.3376
Prices subject to change without notice

AUTO SHUT-OFF VALVE

Short Fogg-it on/off valve with hose fittings on both sides of valve. Push down on short rubber section to get water. Release to turn off. Able to add water nozzles of your choice to 3/4" male hose thread. Like gas stations used to use to fill radiators.

Order #: **60-0785** –sold as each

CONSUMER WATER WANDS

6" HANDI-WANDS

Adjustable spray pattern. Dramm one-touch plastic shut off valve with #400 plastic breaker and ergonomic insulated grip. Available in six enticing colors. Lifetime guarantee.

Order #: **60-0151** –sold as each –12 per carton

24" 45 DEGREE RAIN WANDS

[special order item]

Standard Dramm 24" long aluminum extension wand for general watering with #400 plastic breaker and plastic shut off valve.

Order #: **60-424** –sold as each –24 per case

30" 45 DEGREE RAIN WANDS

[special order item]

Dramm 30" aluminum extension wand with a cyclolac plastic 400 hole water breaker and plastic shut off.

Order #: **60-430** –sold as each –24 per case

36" 90 DEGREE HANGING BASKET WANDS

Dramm aluminum 36" tube with crook neck to water hanging baskets with plastic #400 water breaker and plastic shut off valve.

Order #: **60-178** –sold as each –6 per carton

CLASSIC WATERING WAND ASSORTMENT DISPLAY

[special order item]

Dramm display with Sizes: 6-16", 12-24" and 24-30" standard container wands and 6-36" hanging basket wands and 72 assorted other watering tools and watering accessories.

Order #: **60-60033** –120 items per display

16" WATERCOLOR RAIN WANDS

With plastic #400 water breaker and plastic 1/4 turn on/off valve

Order #: **60-0161** –sold as each –12 per carton

24" COLORSMITH WANDS

[discontinued when sold]

Stylish copper finish. Ergonomic insulated grip. One-touch brass lever activated 1/4 turn on/off valve. Gentle, full flow for quick watering with #400 plastic water breaker. Dramm professional grade materials. Lifetime guarantee.

Order #: **60-00003** –sold as each –12 per carton

30" COLORMARK RAIN WANDS

The premium Rain Wand. Handcrafted brass 1/4 turn shut-off valve and plastic #400 water breaker. Gentle, full flow for fast watering. Comfortable foam grip. Dramm professional grade materials. Available in six rich colors. American made. Lifetime guarantee.

Order #: **60-0156** –sold as each

Order #: **60-0155** –24 wand display –4 each of 6

colors

TOUCH 'N FLOW RAINWANDS

One-touch lever activated valve with ergonomic insulated grip. Dramm professional grade materials. Available in six vibrant colors. Lifetime guarantee. Also comes with colored wand and colored plastic #400 water breaker.

Order #: **10-12623** –16" wand –sold as each –12 per carton

Order #: **60-12812** –30" wand –sold as each –12 per carton

30" CARDED SUNRISE WANDS WITH #400 PLASTIC BREAKER & ON/OFF VALVE

[discontinued when sold]

Comfortable grip. Plastic 1/4 turn. On/off valve with plastic #400 water breaker. Gentle, full flow for quick watering. Professional grade materials. Available in six vibrant colors. 30" colored wand with standard 45 degree neck. Lifetime guarantee.

Order #: **60-00009** –sold as each –12 per carton

TOUCH 'N FLOW PRO RAIN WANDS [special order item]

Each display contains 36-9 pattern revolver nozzles and 48 touch 'n flow wands in six colors, sizes: 16" and 30" container wands and 36" hanging basket wands. All container wands with #400 plastic water breakers and touch 'n flow shut-off valves. Hanging basket wands with #170 plastic water breakers and Touch 'n Flow wands.

Order #: **60-60042** –78 items per display

GROWER HOSE END NOZZLES & BREAKERS

"REDHEAD" 2 1/4" WATER BREAKER

Water your plugs or seedlings with the softest full-flow watering nozzle available. The Dramm 1000PL Redhead water breaker has over 1,000 micro holes that create an ultra-soft flower shower which will not disturb delicate soil or harm tender plants. Made in the USA from ABS plastic and stainless steel. 3/4" female hose threads.

Order #: **60-0172** –sold as each –50 per case

MINI-REDHEAD 1 3/8" WATER BREAKER

Dramm's smaller version of the new Redhead breaker to provide the softest full flow of any 1 3/8" water breaker. 3/4" female hose threads.

Order #: **60-0174** –sold as each –64 per case

LEMONHEAD 2 1/4" WATER BREAKER

The Dramm 750 water breaker is designed to offer a softer flow. Even softer than the 1000PL Redhead, the 750PL allows for more precise watering and gives growers yet another choice for more flexibility in watering with 750 holes in the face plate. 3/4" female hose threads.

Order #: **60-9102** –sold as each –50 per case

ALUMINUM "ORIGINAL" 2 1/4" WATER BREAKER

The original full-flow shower head nozzle. Dramm's aluminum 400 Water Breaker provides fast, full-flow watering without damage to your plants or disturbing soil. Used and recommended daily by professional growers worldwide. Cast aluminum with 3/4" brass female hose threads. Invented, designed and manufactured in the USA since 1945.

Order #: **60-0401** –sold as each –50 per case

CYCOLAC 2 1/4" WATER BREAKER

The 400PL Water Breaker provides fast, full-flow watering without damage to your plants. Patented after the original 400 Aluminum water breaker, the 400PL is made from high-impact ABS plastic and aluminum to provide a lightweight alternative. Used by professional growers worldwide. Made in the USA by Dramm. 3/4" female hose threads.

Order #: **60-0400** –sold as each –50 per case

ALUMINUM 1 3/8" WATER BREAKER

The 170AL Water Breaker is excellent for watering in areas with low water pressure or with systems which restrict total water volume. It is designed for small containers like hanging baskets, and when using fertilizer siphons which adjust water flow to 50% of its possible volume. Cast aluminum with 3/4" brass female hose threads. Manufactured in the USA by Dramm.

Order #: **60-0171** –sold as each –64 per case

CYCOLAC I 3/8" WATER BREAKER

Patterned after the I70 Aluminum water breaker, the I70PL is an excellent choice for watering in areas with low water pressure or with systems which restrict total water volume. It is designed for small containers like hanging baskets. Works well even when you adjust water flow to 50% of its possible volume. Made in the USA from ABS plastic by Dramm. 3/4" female hose threads.

Order #: **60-0170** –sold as each

FOGG-IT BRASS NOZZLES

The Fogg-It Nozzle is designed for misting delicate seedlings or for raising humidity around wilting plants. This nozzle has three mist jets which create a conical spray pattern. Available in 4 different discharge rates. Made in the USA from solid brass. 3/4" female hose threads. Available in 4 different flow rate sizes.

Order #: **60-0780** –superfine (1/2 gpm)
–sold as each –6 per carton
Order #: **60-0781** –fine (1 gpm) –sold as each –6 per carton
Order #: **60-0782** –low (2 gpm) –sold as each –6 per carton

GROWER HOSE SHUT OFF VALVES

3/4" FHT X 3/4" MHT/BRASS SHUT-OFF

Our heaviest duty 1/4 turn shut off valve. These Dramm brass valves often perform for years even with heavy use. The valve to get unless you are bad about losing them.

Order #: **60-0300** –sold as each –25 per case

FULL FLOW 5/8" PLASTIC SHUT-OFF

A new ABS polypropylene plastic on/off valve from Dramm to provide full "non-restricted" flow on 5/8" water hoses. 3/4" female hose thread x 3/4" male hose thread.

Order #: **60-9101** –sold as each –50 per case

HEAVY DUTY 3/4" PLASTIC SHUT-OFF

The #45 Dramm Shut-Off is designed to provide fingertip water control at the end of your garden hose. A simple quarter turn of the large ergonomic handle and the water is off—even when your hands are wet! Engineered to withstand higher water pressures than ordinary inexpensive plastic valves. Made from heavy-duty plastic. 3/4" female hose thread x 3/4" male hose thread.

Order #: **60-045** –sold as each –50 per case

3/4" FHT X 3/4" MHT PLASTIC SHUT OFF

Raindrip plastic ball valve, a reasonably priced plastic 1/4 turn ball valve for standard or light duty applications.

Order #: **60-61501** –sold as each –40 per carton

WATER SHUT-OFF VALVE-SGL-#4035

Old Gardner promotional lightweight 1/4 turn plastic shut off valve. Our least expensive shut off valve.

Order #: **60-582577** –sold as each

CYCOLAC TWIN SHUT-OFF VALVE

Dramm twin shut off with 3/4" female thread-screws on your faucet or hose and creates a "Y" for 2 hose hookups with an on/off shutoff on each fork.

Order #: **60-0235** –sold as each –24 per case

GROWER WATER WANDS

Handi-Reach Handles are designed to eliminate the stretching and stooping associated with hand watering. Available in 16", 24", 30", 36" and 48"

lengths, these rugged tools allow you to water hard-to-reach areas with ease. Made in the USA from extruded aluminum tubing, forged brass hose couplings and a comfort hand grip. 3/4" male and female hose threads.
