HANDY MATTOCK PICK

[discontinued when sold]

2 lb. ductile iron head; 2 1/4" wide Mattock blade; 4 1/2" long pick. Designed for light construction work for amateurs and professionals alike. Ideal for installing small lawn irrigation systems, landscape lighting, stone pavers, landscape timbers and decorative ponds. 2 lb. head breaks up hardened soil. Mattock end can be used for chopping roots, clearing, edging and a wide variety of landscape detail and finishing work. V&B brand
Order #: **851-01** –sold as each

EDGEALL 8" NARROW STRIKING

[discontinued when sold]

Flat, narrow 8" striking blade ideal for installing sprinkler systems, landscape lighting, walkways made of stone and brick pavers. Square shaped blade creates a straight edge on sides and bottom of trench; better than scalloped edges that result from using a shovel. Designed for breaking ground and digging in tight areas machines can't reach. Striking power maximized with 12 lb. solid steel construction of handle and striking blade; user can apply muscle where it's needed most. 53" handle length enhances two-hand control and ability to strike the target accurately. Ideal for breaking hard ground, rocks, tile and ice. Perfect tool for edging lawns and landscaped beds. V&B brand
Order #: **869-08** –sold as each

COMFORT DIGGER (WEEDER)

HAND SEEDERS

SEEDMASTER CLICK HAND SEEDER

Virtually eliminates thinning. Four special baffles accommodate most seed sizes. Precise, even sowing of all sized seeds is fast and convenient. The unique vibrating action of the special wheel causes seeds to flow down the anti-static “V” channel and through the baffle in controlled action for careful sowing. Even the tiniest seeds can be sown with precision. No clumping, maintenance free, easy to operate.

Order #: 30-0206 –sold as each

DIAL SEED SOWER

Easily vibrates garden seed to soil. Helps make straight rows. 12/strip

Order #: 803 –sold as each –12 per strip
